War and Anti-War: Survival at the Dawn of the 21st Century

By Toffler, Alvin; Toffler, Heidi

Little Brown & Co, Boston, Massachusetts, U.S.A., 1993. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. From Kirkus Reviews: An appraisal of armed conflict that will strike most readers as a typically slick Alvin Toffler production--despite the byline given to wife Heidi and the bulletin that Alvin wrote Future Shock, The Third Wave, and other bestsellers with her help. Here, the authors offer a quickstep guide to warfare in the idiosyncratic context of their wave theory--which, broadly speaking, divides world history into agrarian, industrial, and technological eras. Starting with the hand-to-hand combat of ancient times, they eventually get to WW II's high-explosive and nuclear horrors. Desert Storm, the Tofflers argue, was a showcase for a new generation of intelligent armament (smart bombs and the like) that promises to minimize if not eliminate the importance of brute-force firepower and set-piece battles. Among other examples, the authors cite the possibility of microrobots able to invade an adversary's headquarters, programmable ordnance, and sonic systems that could disable enemy troops without killing them. In the meantime, the Tofflers warn, the breakup of the USSR hasn't made a peaceable kingdom of the Global Village. Indeed, they assert, more rather than fewer brushfire wars...

War and Anti-War: Making Sense of Today's Global Chaos, Alvin Toffler, Heidi Toffler Beginning with a provocative analysis of warfare in the past, futurists Alvin and Heidi Toffler offer intriguing insight into today's military conflicts--and an eye-opening portrait of the battles of the future. By describing the horrifying realities of future war, the authors offer innovative strategies for implementing future peace.Â The main purpose is to outline how the successful war as a wealth generating power in the 21st century should look like according to the authors' theory of waves. flag Like Â· see review.
