Item Summary

Waters, known in the industry as Kombat Kate, is showing me how actors fight each other without getting hurt, and that includes sword-fighting. (She inspires fierce devotion: when I tweet that I'm meeting Waters, one actress friend responds: 'She's amazing. She taught me how to be a secret service agent in two days.') Once the lesson is over Kate tells me how she became one of only two women on the official register of stage fight directors. Already a keen martial arts expert from childhood, Kate did drama at university, and one module of her course introduced her to stage combat. When she made enquiries about the possibility of teaching it as a career, she was told about the register and the qualifications she'd need to be accepted onto it. v. 1. Hogarth, D.G.
