

CURRICULUM VITAE

May, 2012

NAME: M. Miles Goldsmith, M.D., F.A.C.S.

CURRENT POSITION: President, Georgia Ear Institute

SPECIALTY: Neurotology

EDUCATION:

High School	Savannah Country Day School, Savannah, GA, 1974 Valedictorian
-------------	--

Undergraduate College	BA, Chemistry, 1978 University of North Carolina, Chapel Hill 4 th in class
-----------------------	--

Medical School	M.D. with Honors, 1982 University of North Carolina, School of Medicine 1 st in class
----------------	--

GRADUATE TRAINING:

Internship	General Surgery, Memorial Medical Center, Savannah, Georgia, July 1982 – January, 1984
------------	--

Residency	Otolaryngology, University of North Carolina, Chapel Hill, North Carolina, January, 1984 – June, 1987
-----------	---

Fellowship	Neurotology, Georgia Ear Institute, Savannah, Georgia 1993 - 1995
------------	--

APPOINTMENTS:

Assistant Professor of Otolaryngology—Head and Neck Surgery,
Department of Otolaryngology—Head and Neck Surgery, Johns Hopkins
Medical Institutions, 6/87 – 1/89

Chief of Head and Neck Surgery, Loch Raven Veteran's Administration
Medical Center, 6/87 – 1/89

Clinical Assistant Professor of Otolaryngology, University of North
Carolina School of Medicine, 6/87 – Present

Clinical Associate Professor, Department of Surgery, Mercer University
School of Medicine, 4/98 – Present

ACTIVITIES AND HONORS

Residency: Second International Symposium on Head and Neck Cancer - First Place
Award for Research. The Importance of the Eosinophil in Head and Neck
Cancer. Boston, 1988

Academy of Otolaryngology - Head and Neck Surgery - First Prize for
Clinical Research. Resident Forum, San Antonio, Texas, September, 1986

Society of Head and Neck Surgeons Award for Best Clinical Research by a
Resident/Fellow, Colorado Springs, Colorado, May, 1986

Newton D. Fischer Temporal Bone Dissection Award 1984

Nathan A. Womack Scholar (Faculty-elected most outstanding resident or
fellow in surgery), 1987

Medical School M.D. with Honors

A.O.A., elected junior year, President senior year

Medical Faculty Award (Faculty-elected most outstanding medical student,
Class of 1982)

Deborah C. Leary Award, 1982 (Most outstanding medical student research
for the year 1982)

Lange Award for Academic Excellence, 1981, 1982

Academic Student Merit Scholarship, 1981, 1982

ACTIVITIES AND HONORS (Cont.)

Medical School (Cont.)

Honors grade all four years

Admissions Committee

Undergraduate

Phi Eta Sigma

Phi Beta Kappa

Alpha Epsilon Delta

Student Honor Court

Varsity Track - Javelin

Atlantic Coast Honor Roll

Dean's List all semesters, GPA 3.98/4.00, graduated 4th in a class of 4,000

High School

Valedictorian

Editor of the Yearbook

Lettered in four varsity sports

LICENSURE AND CERTIFICATION:

Georgia State Medical License #25161, issued
August 10, 1983

South Carolina State Medical License #18500, issued
July 1, 1996

North Carolina State Medical License #27546, issued
October 15, 1983

Maryland State License #D-35352, expired
September 30, 1988

American Board of Otolaryngology, Fellow,
January 19, 1988

American College of Surgeons, Fellow,
October, 1994

Neurotology Fellowship, Georgia Ear Institute
Malcolm D. Graham, MD, FACS, 1993-1995

RESEARCH EXPERIENCE:

1977 – Estrogen Receptors —
Shihadey Nayfeh, Ph.D.

1979 – Metabolic Bone Disease —
Stephen A. Grubb, M.D.

1981 – 82 - Fluosol 43 and Brain Oxygenation —
Herbert J. Proctor, M.D.

1985 – 86 - DNA Flow Cytometry and Head and Neck
Cancer

1986 – 87 - Stromal Eosinophilia in Head and Neck Cancer

1993 – Present - Neuronavigation in Neurotology

1993 – Present - AllHear House Cochlear Implant
Investigation

1994 – 1995 - Otologic bur development, Brassler/Komet

1994 – 1995 - Frameless Stereotaxy, Stealth, InstaTrak

1997 — Intracochlear Electrical Stimulation for Control of
Tinnitus

1997 — Intracochlear Electrically Stimulated ABR for
Determination of Auditory Threshold in Infants

1999-present – transtympanic cochlear implant systems.
Microphonics Inc.

2000 – present – oil free , high torque otologic drill
systems

2010 – Ossean integrated Bone Oscillator, a rapid
osseointegrated and simplified BAHA system

BOARD OF DIRECTORS:

Founder and Chairman of Board of Directors of the Savannah Health Mission, a free clinic for the working poor, April 21, 1996 to present.

ICOT Foundation, Inc. Founder and President (International Center for Otologic Training), October, 1997 to present.

Chatham Hospital Authority Board. 2005 to 2012

Board of Directors of the Kerr L. White Institute for Health Services Research, October, 1996 to September, 1997.

Savannah Cotillion Board of Directors, October 1996 to present.

President and Founder of Georgia Ear Institute, December 1992 to present.

Martha Entenmann Tinnitus Research Center, Inc., December 1997 to present.

Prosper Meniere's Society Board of Directors, June, 1999 to Present

Computer Assisted Surgery Journal, Editorial Board

Founder and Chairman of Board of Directors of ICOT Hearing Systems, 2010 to present

AWARDS

1998 National Honor Award, Presented by the American Academy of Otolaryngology-Head and Neck Surgery, Inc.

Best Doctors in America, 1995, 2010, 2011

Savannah Country Day School Distinguished Alumni Award, 2005

COMMUNITY ACTIVITIES

Downtown Savannah Rotary Club, John Harris Fellow

Savannah Health Mission, Founder and Chairman, 1998-2008

Chatham Hospital Authority 2007-2011

Vestry. Christ Church Episcopal

PRESENTATIONS:

1. The Importance of the Eosinophil in Head and Neck Cancer, Second International Conference on Head and Neck Cancer, August 3, 1988, Boston, Massachusetts
2. Cytometric and Pathologic Indicators of Survival in Head and Neck Cancer, Second International Conference on Head and Neck Cancer, August 1, 1988, Boston, Massachusetts
3. Reconstruction After Anterior Mandibulectomy With the Trapezius Osteomyocutaneous Flap, Grand Rounds in Surgery, Johns Hopkins Medical Institutions, February 13, 1988
4. The Importance of the Eosinophil in Head and Neck Cancer, 1987 Nathan A. Womack Society Meeting, University of North Carolina School of Medicine
5. The Prognostic Implications of Stromal Eosinophil in Head and Neck Cancer, 1987 Newton D. Fischer Society Meeting, University of North Carolina School of Medicine
6. DNA Flow Cytometry as a Prognostic Indicator in Head and Neck Cancer, American Academy of Otolaryngology - Head and Neck Surgery, San Antonio, Texas, September 14, 1986
7. Significance of Ploidy in Laryngeal Cancer, Society of Head and Neck Surgeons, Colorado Springs, Colorado, May 8, 1986
8. Management of Carotid Artery Injuries at the Skull Base, North Carolina State Medical Society, May, 1985
9. Cerebral Cortical ATP and Lactate Concentrations After Exchange Transfusion With Fluosol 43, Forum of the American College of Surgeons, San Francisco, California, September, 1981
10. Navigational Surgery - Principles and Clinical Applications to Skull Base Surgery. Johns Hopkins Conference on Minimally Invasive Imaging and Surgery, Snowmass Village/Aspen, CO, March 13 - 16, 1994.
11. Clinical Applications of Frameless Stereotactic Devices in Neurotology - A Preliminary Report. The American Neurotology Society Annual Meeting, Palm Beach, FL, May 8, 1994.
12. Clinical Applications of Frameless Stereotactic Devices in Neurotology. The Seventh Neuroscience Nursing Symposium, Hilton Head Island, South Carolina, September 15 & 16, 1994.
13. Otolaryngologic Navigational Surgery. American Academy of Otolaryngology-Head and Neck Surgery Annual Meeting, San Diego, CA, September 18-21, 1994

PRESENTATIONS (Cont.)

14. Clinical Applications of Frameless Stereotactic Devices in Neurotology - A Preliminary Report. Georgia Society of Otolaryngology-Head and Neck Surgery, Atlanta, Georgia November 17 - 18, 1994.
15. Endoscopic Skull Base Surgery and Repair of CSF Leaks. Joint International Congress on Minimally Invasive Techniques in Neurosurgery and Otolaryngology, Pittsburgh, Pennsylvania, June 16 - 20, 1995.
16. Minimally Invasive Burr Systems in Otolaryngology Surgery. Joint International Congress on Minimally Invasive Techniques in Neurosurgery and Otolaryngology, Pittsburgh, Pennsylvania, June 16 - 20, 1995.
17. Applications of Frameless Stereotaxy in Neurosurgery. Joint International Congress on Minimally Invasive Techniques in Neurosurgery and Otolaryngology, Pittsburgh, Pennsylvania, June 16 - 20, 1995.
18. Intraoperative Monitoring and Navigational Surgery. Joint International Congress on Minimally Invasive Techniques in Neurosurgery and Otolaryngology, Pittsburgh, Pennsylvania, June 16 - 20, 1995.
19. Surgical Approaches to the Cerebellopontine Angle. International Center for Otologic Training (ICOT), Savannah, GA, August 12-30, 1996.
20. Cochlear Implants. International Center for Otologic Training (ICOT), Savannah, GA, August 12-30, 1996.
21. Techniques of Ossiculoplasty and Tympanoplasty. International Center for Otologic Training (ICOT), Savannah, GA, August 12-30, 1996.
22. Stapedectomy. International Center for Otologic Training (ICOT), Savannah, GA, August 12-30, 1996.
23. Acoustic Tumors. International Center for Otologic Training (ICOT), Savannah, GA, August 12-30, 1996.
24. Cochlear Implants. Advanced Bionics Clarion Cochlear Implant Symposium, Georgia Ear Institute, Savannah, GA, January 7, 1997.
25. Cochlear Implants. Neuro Round Table, Memorial Medical Center, February 18, 1997.
26. Chronic Ear Surgery. International Center for Otologic Training (ICOT), Savannah, Georgia, July 16, 1997.

PRESENTATIONS (Cont.)

27. Otosclerosis: Diagnosis and Surgery. International Center for Otologic Training (ICOT), Savannah, Georgia, July 16, 1997.
28. Skull Base Surgery. International Center for Otologic Training (ICOT), Savannah, Georgia, July 25, 1997.
29. Cochlear Implants. International Center for Otologic Training (ICOT), Savannah, Georgia, July 25, 1997.
30. Cochlear Implants - 21st Century. First International Tinnitus Think Tank Session of the Martha Entenmann Tinnitus Research Center, Brooklyn, New York, October 17-18, 1997.
31. Electrode Suppression of Tinnitus, via Cochlear Implants. First International Tinnitus Think Tank Session of the Martha Entenmann Tinnitus Research Center, Brooklyn, New York, October 17-18, 1997.
32. Cochlear Implantation in the 21st Century. Georgia Society of Otolaryngology Meeting, Atlanta, Georgia, November 21, 1997.
33. Otosclerosis: Diagnosis and Surgery. International Center for Otologic Training, Georgia Ear Institute, Savannah, Georgia, March 1-14, 1998.
34. Skull Base Surgery. International Center for Otologic Training, Georgia Ear Institute, Savannah, Georgia, March 1-14, 1998.
35. Ossicular Chain Reconstruction. International Center for Otologic Training, Georgia Ear Institute, Savannah, Georgia, March 1-14, 1998.
36. Short Electrode Cochlear Implants: The Efficacy in Rehabilitation in Profound Deafness. Neurootological and Equilibriometric Society Meeting, Bad Kissingen, Germany, March 19-22, 1998
37. Short Electrode Cochlear Implants: Electrical Suppression of Tinnitus. Neurootological and Equilibriometric Society Meeting, Bad Kissingen, Germany, March 19-22, 1998
38. Frameless Stereotaxy in Skull Base Surgery. 2nd Symposium Minimally Invasive Techniques and Image Guided Surgery in ENT and Skull Base Surgery, Toulouse, France, July 2-4, 1998.
39. Minimal Invasive Cochlear Implant Surgery: the Role of the Short Electrode. 2nd Symposium Minimally Invasive Techniques and Image Guided Surgery in ENT and Skull Base Surgery, Toulouse, France, July 2-4, 1998.

PRESENTATIONS (Cont.)

40. Electrical Stimulation/Tinnitus Control: International Tinnitus Forum, New York, New York, September 12, 1998.
41. Cochlear Implants, AllHear Cochlear Implant Symposium, Singapore, September 26-27, 1998
42. Ossicular Chain Reconstruction, International Center for Otologic Training (ICOT), Savannah, Georgia, May 1, 1999.
43. Otosclerosis: Diagnosis and Surgery, International Center for Otologic Training (ICOT), Savannah, Georgia, May 3, 1999.
44. Cochlear Implants, International Center for Otologic Training (ICOT), Savannah, GA, May 7, 1999.
45. Cochlear Implants in the 21st Century and Electrical Suppression of Tinnitus, Atlanta Hears, August 15, 1999
46. Georgia Ear Institute's Approach to the Tinnitus Patient, Tinnitus Forum, AAO-HNS Annual Meeting, September 25, 1999.
47. ICOT/Cochlear Implant Conference, Hanoi, Vietnam, three day course on Cochlear (Implantation November 29 - December 8, 1999.
48. The 6th International Cochlear Implant Conference, Miami, Florida, February 3-5, 2000
49. Cochlear Implants: State of the Art and the Future, International Center for Otologic Training (ICOT), Savannah, GA, May 2000
50. Implantable Hearing Devices, International Center for Otologic Training (ICOT), Savannah, GA, May 2000
51. Surgical Management of Middle Ear Disorders, International Center for Otologic Training (ICOT), Savannah, GA, May 2000
52. Cochlear Implants: State of the Art and the Future, International Center for Otologic Training (ICOT), Savannah, GA, May 2001
53. Implantable Hearing Devices, International Center for Otologic Training (ICOT), Savannah, GA, May 2001
54. Surgical Management of Middle Ear Disorders, International Center for Otologic Training (ICOT), Savannah, GA, May 2001

PRESENTATIONS (Cont.)

55. Cochlear Implants: State of the Art and the Future, International Center for Otologic Training (ICOT), Savannah, GA, May 2002
56. Implantable Hearing Devices, International Center for Otologic Training (ICOT), Savannah, GA, May 2002
57. Surgical Management of Middle Ear Disorders, International Center for Otologic Training (ICOT), Savannah, GA, May 2002
58. What's New With the Inner Ear?, Family Practice Symposium, Memorial Health University Medical Center, Savannah, GA, December 13, 2002
59. Cochlear Implants: State of the Art and the Future, Annual Mexican Congress of Otolaryngology Meeting, Huatulco, Mexico, February 12–16, 2003
60. Implantable Hearing Devices, Annual Mexican Congress of Otolaryngology Meeting, Huatulco, Mexico, February 12–16, 2003
61. Intratympanic Therapies for Inner Ear Disorders, Annual Mexican Congress of Otolaryngology Meeting, Huatulco, Mexico, February 12–16, 2003
62. May 2003.
63. Intratympanic Therapies, International Center for Otologic Training (ICOT), Savannah, Georgia, May 2003.
64. Cochlear Implants. International Center for Otologic Training (ICOT), Savannah, Georgia, May 2004
65. Transtympanic Therapies for Inner Ear Disorders. International Center for Otologic Training (ICOT), Savannah, Georgia, May 2004.
66. Semi-implantable hearing aid systems, International Center for Otologic Training (ICOT), Savannah, Georgia, . International Center for Otologic Training (ICOT), Savannah, Georgia, May 2004.
67. Solving Global Deafness. Savannah Rotary Club, Sept. 2004
68. Solving Global Deafness. Hilton Head Rotary Club, Jan, 2005
69. Solving Global Deafness. Savannah Eastside Rotary Club, Feb 2005
70. Solving Global Deafness. Savannah Southside Rotary Club. Feb, 2005.

71. Cochlear Implants. International Center for Otologic Training (ICOT), Savannah, Georgia , May 2005
72. Transtympanic Therapies for Inner Ear Disorders. International Center for Otologic Training (ICOT), Savannah, Georgia , May 2005.
73. Semi-implantable hearing aid systems, International Center for Otologic Training (ICOT), Savannah, Georgia , . International Center for Otologic Training (ICOT), Savannah, Georgia , May 2005.
74. Record of presentations discontinued after 2005

ACTIVITIES:

Task force for new materials for The American Academy of Otolaryngology - Head and Neck Surgery (Prepare Board examination questions)

Editorial Board of American Journal of Otolaryngology, 1987 – 1992

Otolaryngology Congress President, Joint International Congress on Minimally Invasive Techniques in Neurosurgery and Otolaryngology, June 17–20, 1995, Pittsburgh, PA

Editorial Board of Computer Assisted Surgery, 1995 – Present

Chatham Hospital Authority , 2005 to 2011

ICOT Hearing Systems, Founder and Chairman of the Board of Directors, 2009 to present

Board of Directors, Oglethorpe Club, 2014

INVENTIONS AND PRODUCT IDEAS:

1. Goldsmith Grommet and Inserter - Xomed, Inc., United States Patent #5,053,040 granted October 1, 1991
2. Goldsmith Septal Button - Xomed, Inc. patented by Xomed
3. Inflatable Septal Splint - Xomed, Inc., United States Patent #5,139,510, granted August 18, 1992
4. Ethmoid Splint - Xomed, Inc.
5. Insulated Scalpel for the NIM - Xomed, Inc..
6. Paraglottic Space Expander - Xomed, Inc., United States Patent #5,197,982, granted March 30, 1993
7. E-Cutter Otologic Burs – Komet Medical
8. TM Micro-Catheter –submitted, Xomed Inc.
9. Ultra High Frequency Modulation of Analog Signal in Cochlear Implantation Patent pending. David House, M. Miles Goldsmith.
10. Transcanal Middle Ear Cochlear Implant, patent number ? (issued 2001), Microphonics, Inc.
11. Oil free, high torque otologic drill system (XK-Pro100, Brasseler USA)
12. Saline Implant Round Window Direct Drive System patent pending
13. Method for Protecting Boat Hulls, patent pending
