We will be pleased if you go back to us again.

The Gentle Art of Firing is the fourth official studio album by SCH from 1995. It is a recording of music produced in Sarajevo during the first year of war in Bosnia and was one of the first albums released in the besieged city. The recording line-up was Teno (vocals/guitar/bass), Petar Erak (bass/sax), and Danijel Prebanić (drums). In his review of the album in the weekly BH Dani, the film director Srđan Vuletić comments on how it provides commentary on the situation in Sarajevo at that time, playing "I've fired people a few times in my career, and I hated everything about the process. I'm not sure I did it well when I did it, but I've thought a lot about how it should be done. Here is my best shot at "The Art of Firing People." Consult impartial people. As soon as you have misgivings about a person, talk to one or two people who can give you an impartial appraisal of the situation: Is the person truly at fault? Is she a scapegoat? Are the people calling for her firing any better? (In my career, I have been blessed with three people who acted as my sounding board in issues like this. All we specialize in training you how to be safe when you're working with trees, from the norm to hazardous and fire weakened. Learn the Art of Felling Timber. Our Workshops. Beginner Seminar (TBD). View Seminar. The Field Manual. The Art of Felling Timber. This book is designed to teach felling teams the importance of working together and having a strong understanding of decision-making. It educates the Feller and Spotter on how to work as a team and provides mutual communication skills for all team members. This study guide also teaches the team how to maintain control in dangerous felling situa
