Description:

The Daring Book for Girls is the manual for everything that girls need to know—and that doesn't mean sewing buttonholes! Whether it's female heroes in history, secret note-passing skills, science projects, friendship bracelets, double dutch, cats cradle, the perfect cartwheel or the eternal mystery of what boys are thinking, this book has it all. But it's not just a guide to giggling at sleepovers—although that's included, of course! Whether readers consider themselves tomboys, girly-girls, or a little bit of both, this book is every girl's invitation to adventure.

Buchanan and Miriam Peskowitz. Ratings. INTRODUCTION. WE WERE GIRLS in the days before the Web, cell phones, or even voicemail. Telephones had cords and were dialed by, well, actually dialing. We listened to records and cassette tapes "we were practically grown-ups before CDs came to pass" and more often than not, we did daring things like walk to school by ourselves. Ride our banana-seat bikes to the local store. Babysit when we were still young enough to be babysat ourselves.

True to its name, *The Daring Book for Girls* itself does a daring thing: it tries to explain the mysterious, gross and yet fascinating beings called boys! But you have to read the book yourself to find out what. (To my daughter Maddy, who might be reading this in a few years' time: ignore boys until you're twenty five, please.) On a personal note, this is a book I truly looked forward to reviewing. I've heard good things about it. Andi and Miriam were interviewed on the Today Show and there are tons of great reviews in the blogosphere. The book is already a bestseller (it's *Daring Book for Girls* Badges. ILLUSTRATION CREDITS. Acknowledgments. Girls originally shot hoops wearing Victorian petticoats, white muslin pinafores, and silk slippers. The dress code has thankfully changed, and basketball today is one of the few team sports that a girl can not only learn in elementary school but also dream of playing professionally. Basketball opened up to girls' real uniforms and all in the 1970s. The United States passed a law known popularly as "Title IX" (the full name is Title IX of the Education Amendment of 1972), which said that no one, girls or boys, can be excluded from participating in school activities if that school receives federal funds. The Daring Book for Girls is the manual for everything that girls need to know—and that doesn't mean sewing! Whether readers consider themselves tomboys, girly-girls, or a little bit of both, this book is every girl's invitation to adventure. Lifestyle & Sports Outdoor Recreation. This book is currently unavailable. 585 printed pages. Publisher. William Morrow. Impressions. How did you like the book? Sign in or Register. Don't give a book. Give a library. Give a Bookmate subscription. About Bookmate. Girls today are girls of the twenty-first century, with email accounts, digital cable, iPods, and complex video games. Their childhood is in many ways much cooler than ours—what we would have given for a remote control, a rock-climbing wall, or video chatting! In other ways, though, girlhood today has become high-pressured and competitive, and girls are inducted into grownup-hood sooner, becoming tweens and teens and adult women before their time. In the face of all this pressure, we present stories and projects galore, drawn from the vastness of history, the wealth of girl knowledge, the breadth of the world. The world is bigger than you can imagine, and it's yours for the exploring—if you dare. Bon voyage. Andrea J. Buchanan. From the Back Cover. The Daring Book for Girls is the manual for everything that girls need to know—and that doesn't mean sewing buttonholes! Whether it's female heroes in history, secret note-passing skills, science projects, friendship bracelets, double dutch, cats cradle, the perfect cartwheel or the eternal mystery of what boys are thinking, this book has it all. Miriam Peskowitz is the mother of two girls, including an eight-year-old who climbs trees and leads spy missions in the backyard. She has been a camp counselor, an historian, a blogger, a musician, a professor, and is the author of several books, including The Truth Behind the Mommy Wars. Andrea Buchanan is the mother of a daughter and a son, both of whom are equally daring.
