Although it specifically addresses the interpretation of Paul's letters, its principles are appropriate to all biblical interpretation. Schreiner, himself a masterful exegete, writes with his typical clarity and with the conviction that these writings are the inspired word of God. This book was a requirement for a class on Pauline writing. I honestly think it is one of the most well written books on understanding Paul. He clearly guides you in not only exegetical processes, but gives insight as to why it is so crucial to truly study Paul's work well. The main take home points for anyone trying to read Paul, with or without intending to do a lengthy study: *Paul's letters were written for a specific church about specific topics that directly influenced that church. Each letter needs to be read as such. The Pauline epistles, also called Epistles of Paul or Letters of Paul, are the thirteen books of the New Testament attributed to Paul the Apostle, although the authorship of some is in dispute. Among these epistles are some of the earliest extant Christian documents. They provide an insight into the beliefs and controversies of early Christianity. As part of the canon of the New Testament, they are foundational texts for both Christian theology and ethics. The Epistle to the Hebrews, although it does Interpreting the Pauline Letters book.
