## Description:

***The Uniform System of Accounts for Restaurants: A Guide to Standardized Restaurant Accounting, Financial Controls, Record-Keeping and Relevant Tax Matters***, Eight Edition introduces readers to a standard account classification system usable by most restaurant operators. It is meant to be a straightforward and nontechnical guide to standardized restaurant accounting, financial controls, and record keeping and relevant tax matters. It is geared primary toward single-unit or

small multiunit independent restaurant operators who need practical ways to maximize the usefulness and value of their restaurant(s).

**The gold-standard for nearly 50 years,** this publication is extremely useful to culinary, hospitality and food service educators in presenting restaurant managerial accounting concepts to their students. In addition, accountants might benefit from this publication to help organize financial statements in a way that best serves their independent restaurant clients.

Uniform System of Financial Reporting for Clubs (USFPC). Financial experts in the various segments of the hospitality industry developed each of these uniform systems. The uniform systems have been revised many times during the past century.Â Given the usefulness of the various uniform systems of accounts, it follows that most businesses operating in hospitality segments would be expected to utilize the appropriate uniform system of accounts at some level of analysis. Research reveals otherwise. Kwansa and Schmidgall (1999) in a recent survey of lodging controllers determined that 76% of lodging operations were using the USALI.
