Book Reviews

Authors of manuscripts accepted for publication retain copyright in their work. They are required to sign the [Agreement on Authors' Rights and Responsibilities](#) that permits *Archivaria* to publish and disseminate the work in print and electronically. In the same agreement, authors are required to confirm that "the material submitted for publication in *Archivaria*, both in its paper and electronic versions, including reproductions of other works (e.g. photographs, maps, etc.) does not infringe upon any existing copyright."

-

Archivaria, the journal of the [Association of Canadian Archivists](#) (ACA), is devoted to the scholarly investigation of archives in Canada and internationally. Articles and other submissions are welcomed which explore the history, nature, and theory of archives and the use of archives. The journal aims to be a bridge of communication among archivists, and between archivists and users of archives.
