You should consider publishing your eBook on every free self-publishing online site to give maximum exposure to your eBook. So, whether you are thinking about writing an eBook, are more than halfway there or have already written an eBook, you will save a lot of your time and hassles by reading our list of 5 great sites where you can publish your eBook for free. 1. Amazon Kindle Direct Publishing (KDP). You won't have to pay a single penny to publish your digital book. Publishing a book has never been easier, thanks to the internet. You have three main options to consider if you want to publish a book: self-publishing, traditional publishing, and publishing with a small press (an independent publishing company). How to Publish a Book. In this post, we'll show you the exact steps you need to take to publish your book, and we'll cover each publishing method in detail from self-publishing to traditional publishing and beyond. What Is the Best Way to Publish a Book? The book publishing landscape can be very confusing. This is for many reasons; the most relevant to you is that the business of book publishing has changed dramatically over the past decade, and most of the advice people give is dated and wrong. Furthermore, most of the guides to book publishing are geared toward professional writers, novelists, or hobbyists. Entrepreneurs, business owners, executives, and other How to Publish a Book: The Process of Getting Self-Published. The best way to set yourself apart, besides ferociously self-editing your book, is paying for a professional editor. The biggest mistake many self-published authors make is spending more on design and marketing than on professional editing and proofreading. How to Publish a Book. Publishing a book might seem even more daunting than writing one. But with the right guidance, all is possible! To publish your book, you have to make sure it's in the best possible shape before you take it to agents... 1 Preparing Your Book for Publication. 2 Publishing Your Book with the Help of a Literary Agent. 3 Publishing Your Book by Contacting the Publisher Directly. 4 Self Publish Your Book. + Show 1 more - Show less
