James Claude Wright Jr. (December 22, 1922 – May 6, 2015) was an American politician who served as the 48th Speaker of the United States House of Representatives from 1987 to 1989. He represented Texas's 12th congressional district as a Democrat from 1955 to 1989. Born in Fort Worth, Texas, Wright won election to the Texas House of Representatives after serving in the United States Army Air Forces during World War II. He won election to Congress in 1954, representing a district that included his home. Jimmy Wright's sunflower paintings can be found in a number of notable collections, including the Metropolitan Museum of Art in New York City. In this interview with The Artist's Magazine, he explains how, for 20 years, he continued to breathe new life into this iconic image.
