Love You. send your comment. Comments. Even though Johnnie Taylor's "Disco Lady" was the first US #1 with the word "disco" in its title, it wasn't a disco tune. He was just singing about disco. Who You Are Jessie J. Jessie J had a lyric from her song "Who You Are" tattooed on her hip: Gives You Hell The All-American Rejects. The first US Top 10 hit with the word "hell" in the title was "Gives You Hell" by The All-American Rejects in 2008. YZY Rush. "Mmm...Skyscraper I Love You" is a 1993 single by Underworld. It did not make the charts. The song's title comes from an art compilation by Underworld's design company, Tomato. The title included an ellipsis between the first two words when it appeared on the 1993 single, but it is then written without an ellipsis on the Dubnobasswithmyheadman album and on the band's compilation albums. The Jam Scrapper version was originally slated to appear on Dubnobasswithmyheadman, but was replaced by the original. Skyscraper I Love You (A1765 Sky Version id4. Harmone6 COMP43). Terms of Service.
