This horse racing calendar provides you with the best 2020 races. As 2020 begins, so does the anticipation for all of the horse racing that will be taking place in the year ahead. It is a great form of entertainment at key points throughout the year, with many fans going through withdrawals during the very short off-season. They will be marking their horse racing calendars in anticipation of the best and next horse races returning once again. Horse Racing Calendar Uses. Of course, the highlights of a horse racing calendar are the major races like the Kentucky Derby, Preakness Stakes, Belmont Stakes, and the Breeder's Cup to look forward to, but there are many more. The EMHF was founded to coordinate the promotion of Thoroughbred horseracing in the European and Mediterranean region, to bolster its prestige and protect its integrity, and to develop relations between the organisations responsible for running the sport. The EMHF is part of the International Federation of Horseracing Authorities. Learn More. Resources. Find out all the upcoming Horse Racing tournaments on BBC Sport. Horse Racing Calendar. The National Horseracing Authority (NHA) of Southern Africa, formerly the Jockey Club of Southern Africa, is the Southern African equivalent of the American and British Jockey Clubs. The name change came into effect on 19 January 2004. The organisation is established by an act of parliament in South Africa, and regulates the thoroughbred horse racing industry in South Africa.
