Hello, Bastar: The Untold Story of India's Maoist Movement

By Rahul Pandita

Westland Limited, New Delhi, India. Softcover. Book Condition: New. Hello Bastar The Untold Story Of Indias Maoist Movement by Rahul Pandita is a fascinating non-fiction account, revolving around the much-talked-about Maoist movement in New Delhi. The book offers real life encounters and an in-depth analysis of the controversial movement. The book gives a historical view of the subject and talks about how a group of men and women entered Bastar in 1980 with the idea of much-needed revolution in mind. They created a movement, which India now terms an internal security threat. The book goes on to state that the Maoist movement is active in 10 states of India and that it tries to aid the poor by carrying out deadly attacks against the Indian establishment. Since Pandita has direct access to the Maoist leaders, the book offers a rare insight into the lives of the Maoists. Hello Bastar The Untold Story of Indias Maoist Movement also includes interviews with Maoist leaders, including Kobad Ghandy, Maoist Supreme Commander and many others who were jailed on encountering the police and later killed.

"Hello, Bastar" is a scary book to read â€” it shows how organized, serious, wide spread and entrenched the Maoist movement really is. This book is an authentic and detailed introduction to the Maoist movement, brought to you through some brave investigative journalism. It is also an excellent introduction to the Maoist viewpoint (yes, ideology) and operational strategies too. Trying to figure out first hand the issues and the conditions that gave rise to and sustains The Revolution That Was Not. "Hello, Bastar" is a scary book to read â€” it shows how organized, serious, wide spread and entrenched the Maoist movement really is. Would have much preferred a more detached account- the perspective of the historian-intellectual rather than that of a left-leaning journalist. Given the more or less sympathetic treatment given to the movement in the work, it's no wonder it was heartily endorsed by the arch-Maoist Kobad Ghandy himself! Read more. Helpful. Hello, Bastar is the story of the Maoist guerillas who entered the region for the first time in 1980. This area has since become the nerve centre of the entire Maoist movement. Q: How and when did you start working on this project? A: I have been working on the subject for about 12 years. New Delhi now calls the Maoist movement as India's biggest internal security threat. I felt many people are confused about this. For a middle-class person in Delhi or Mumbai, there is no difference between a terrorist killed on the Line of Control and a naxal killed in the jungles of Bastar. I think this Hello Bastar is the inside story of the current maoist movement in India. With direct access to the top Maoist leadership, Rahul Pandita provides an authoritative account of how a handful of men and women, who believed in the idea of revolution, entered Bastar in Central India in 1980 and created a powerful movement that New Delhi now terms as India's biggest internal security threat.Â Thank you very much for the Shri Yantra with Navaratna which has arrived here safely. I noticed that you seem to have had some difficulty in posting it so thank you...Posting anything these days is difficult because the ordinary postal services are either closed or functioning weakly. I wish the best to Exotic India which is an excellent company
